EDUCATION

09/85 - 01/88 Ph.D., Université de Montréal, Faculté de l'aménagement
01/83 - 08/85 Ph.D. studies, Concordia University, Centre for Building Studies, Montréal
09/80 - 11/82 M. Arch., McGill University, School of Architecture, Montréal
10/76 - 07/80 B.Arch. and Town Planning (*cum laude*), Technion, Faculty of Architecture and Town Planning, Haifa, Israel
10/75 - 07/76 B.Arch. Studies, Politecnico di Milano, Facoltà di Architettura, Milan, Italy

AWARDS & HONOURS

2014 Lifetime Achievement Award, Sustainable Buildings Canada
2010 Finalist, Mavis Gallant Prize for Non-Fiction for a *Place in Mind*, Quebec Writers' Federation Literary Awards
2010 Selected Best Practice in the Dubai International Competition, United Nations Habitat for The Grow Home
2010 Environmental Sustainability Award, Northwest Regional Construction Awards for Country and Grizedale Eco-Residence in Lancaster University, UK (With the Goddard Wybor Practice)
2009 Appointed Honorary Professor, Lancaster University, UK
2006 Winning paper, ACSA Affordable Housing Conference, Competition (8 selected out of 67)
2004 Received Key of the City of Lethbridge for Contribution to housing and urban renewal
2004 Collaborative Practice Award, Association of Collegiate Schools of Architecture (ACSA) (With Pretty)
2003 Ontario Heritage Foundation Community Achievement (with Charlebois and Lefeaver)
2003 Recognition by the City of Cornwall for Contribution to City's Urban Renewal
2003 Collaborative Practice Award, Association of Collegiate Schools of Architecture (ACSA) (With Pretty)
2002 Collaborative Practice Award, Association of Collegiate Schools of Architecture (ACSA)
2001 Best Paper Presentation, Canadian Institute of Planners Annual Meeting (with Bedford and Charlebois)
2000 Prix d'excellence, Ordre des architectes du Québec (with L'OEUF, Pearl/Poddubiuk Architects)
2000 Award of Distinction, Manning Innovation Awards
2000 Recognition by CMHC Chairman of Board of Directors of Contribution to Canadian Housing
1999 Recognition by Minister for World Habitat Award, Société d'habitation du Québec (SHQ)
1999 Creative Achievement Award, Association of Collegiate Schools of Architecture (ACSA)

1998	World Habitat Award, Building and Social Housing Foundation (BSHF)
1998	Grand Prix de l'exportation (Secteur construction), Martin International
1998	Education Honors Program (Recognition), American Institute of Architects (AIA)
1998	Prix J.-Armand-Bombardier de l'Association canadienne-française pour l'avancement des sciences (ACFAS), for Technological Innovation
1998	Collaborative Practice Award (Honorable Mention), ACSA
1997	Volunteer of the Year, Canadian Technion Society (Montréal chapter)
1997	Education Honors Program (Recognition), AIA
1997	The Wenger Family Academic Fellowship, Canadian Technion Society
1997	FlexHousing National Design Competition Award of Merit, Phase II (National), Canada Mortgage and Housing Corporation (CMHC)
1996	FlexHousing National Design Competition Winner, Phase I (Quebec Region), CMHC
1996	Silver Medal for Best Special Event (Open House '96), Canadian Council for the Advancement of Education (CCAEE)
1994	Annual Research Award, <i>Progressive Architecture</i> /AIA/ACSA
1994	Education Honors (Honorable Mention), AIA
1994	Winning Article, Walter Wagner Education Forum, AIA
1992	Construction Materials and Technology Institute Fellowship, ACSA
1990	Finalist, Competition for Innovative Ideas in Construction Research in Canada (National Research Council, Canada)
1989	The Wenger Family Academic Fellowship, Canadian Technion Society
1983 - 1985	Graduate Fellowship, Concordia University, Centre for Building Studies
1981	McConnell Assistantship, McGill University
1981	Beatty Bursary, McGill University
1980	Graduate Fellowship, McGill University School of Architecture
1980	First in Graduating Class, Technion - Israel Institute of Technology
1980	Buchko Prize for Thesis Project, Technion - Israel Institute of Technology
1979	Barry Herbert Prize for Distinction in History of Architecture courses, Technion
1976 - 1980	Dean's Honour List, Technion - Israel Institute of Technology

TEACHING

Positions

2/13	Visiting Professor, Lancaster University, U.K.
1/10 - present	Honorary Professor, Lancaster University, U.K.
7/07 - 7/08	Visiting Professor, University of Alberta: City-Region Study Centre
9/08 - present	Full Professor, Director, Affordable Homes Research Group, McGill University
1/03 - 8/08	Full Professor, Director, Affordable Homes Program, McGill University
1/02 - 5/08	Associate Member, McGill School of the Environment
6/95 - 12/02	Associate Professor (Tenured 1995), McGill University / Director, Affordable Homes graduate program
5/91 - 5/95	Assistant Professor, Tenure Track, McGill University / Director, Affordable Homes graduate program
7/89 - 4/91	Assistant Professor, Tenure Track, McGill University / Co-director (with Witold Rybczynski), Affordable Homes graduate program
9/88 - 6/89	Professor (special category), McGill University
1/88 - 9/88	Auxiliary Professor, McGill University, School of Architecture
1/83 - 12/84	Teaching Assistant, Concordia University, Centre for Building Studies
9/81 - 12/82	Teaching Assistant, McGill University, School of Architecture
10/78 - 7/79	Teaching Assistant, Technion - Israel Institute of Technology, Haifa

New Program Development

1/09	M.Arch. (Professional) and Post-Professional Program in Urban Design and Housing
1/98	Ph.D. Program in Housing
9/97	Pre-Arch., freshman year, for incoming students to the Architecture Program
9/89	Post-Professional M.Arch. (Thesis) and Diploma Programs in Affordable Homes

Courses Taught

Graduate courses

2014 – present	(ARCH 602) Housing Seminar, required course, UDH program, new course
2010 – present	(ARCH 562) Innovative Homes and Communities, new course
2009 – 2014	(ARCH 561) Affordable Housing Seminar I, new course
1999 – 08	(301-627A) Research Methods I, new course (301-623B) Project Preparation, new course (301-628ABC) Housing Project Report, new course
1989 – 01	(301-630A) Housing Seminar I, new course (301-631B) Housing Seminar II, new course
1989 – 99	(301-690ABC) Housing Thesis Research I, new course (301-691ABC) Housing Thesis Research II, new course (301-692ABC) Housing Thesis Research III, new course (301-693ABC) Housing Thesis Research IV, new course
1988 – 89	(301-630A, 301-631B) Minimum Cost Housing Seminar I & II (301-690A, 301-691B) Minimum Cost Housing Thesis Research I & II

Undergraduate courses

2011 – Present	(ARCH 304) Design and Construction II
2009 – Present	(ARCH 517) Sustainable Residential Development, new course
2002	Energy and Environment in Building, new course (with Carl Mulvy) Received a grant of \$45,000/3 years from Natural Resources Canada
2000 – Present	(301-673A) Architectural Design II
1989 – Present	(301-240B) Organization of Materials in Building
1989 – Present	(301-429T) Summer Project III
1989 - 99	(301-413B) Design and Construction VIII

Teaching Assistant

1983 – 84	(ENGR-211) Technical Drawing (T.A. with Prof. Collins, Concordia)
1981 – 82	(301-303A, 301-304B) Design and Construction I & II (T.A. with Prof. Slater, McGill)
1978 – 79	(020222) History of Architecture II (T.A. with Prof. Kashtan, Technion)

Initiation and Direction of Special Educational Events

"Charrette"	<p>A 2-day design competition for the entire undergraduate and graduate programs, with invited team leaders, consultants and jury members. Work includes: conception, coordination, fund-raising and publication.</p> <p>Frank Gehry and the Architecture of the Parade: November 8-9, 1993 (with T. Galvin)</p> <p>Black Box Esquisse: March 1-2, 1993 (with T. Galvin)</p> <p>A Gift from the Sea, the Old Port: March 2-3, 1992 (with T. Galvin)</p> <p>Design of Shelters for Victims of Environmental Disaster: February 25-26, 1991</p>
Innovation	<p>A day-long exhibition and lecture series by representatives of manufacturers of innovative building products and techniques.</p> <p>Innovation '92 (in collaboration with the Architectural Undergraduate Society): November 12, 1992</p>
Colloquium	<p>A day-long colloquium and presentation of research-in-progress and completed work by graduate students of the McGill housing programs, external participants, and invited guest commentators.</p> <p>Mixed Agendas - Diverse Cultures: April 8, 1994</p> <p>Ideas in Housing and Environments (with the McGill School of Urban Planning): April 14, 1993</p>

Initiation and Direction of Formal Collaborative Academic Exchanges

1993 – 1996	Universidad Iberoamericana, Facultad de Arquitectura, Tijuana, Mexico
1993 – 1999	Technion - Israel Institute of Technology, Faculty of Architecture and Town Planning, Haifa, Israel
1992 – 1998	University of Manitoba, Housing Research and Development Program, Winnipeg, Manitoba

RESEARCH

Research Interests

Factors which influence design and implementation of affordable and sustainable practices at the unit and community levels, including user needs, construction technology, and resource efficiency.

Research Grants (Unless otherwise indicated, I was the research director/principal investigator of the following projects.)

2012-2013	Sabbatical Leave
2011	Green Specification Rating System – Interactive Web Application, McGill Sustainability Project Fund, \$63,613 (Advisor)
2010-2011	A Digital Platform for Mass Customization of Housing, Maison Alouette and MITACS, \$45,000 (PI with Basem Eid and Aaron Sprecher)
2009-2010	Health & Economic Implication of Public Transportation, Public Health Agency of Canada, \$50,189 (PI with Bhatt, Grimard and Dubé)
2007-2008	Sustainable Urban Environments, City of Iqaluit, Nunavut, \$60,000
2006-2007	Revitalization of Downtown Fort Saskatchewan, Alberta, Town of Fort Saskatchewan, \$20,000
2006	Revitalization of Downtown Drayton Valley, Alberta, Town of Drayton Valley, \$20,000
2005	Affordable Housing for Fredericton, City of Fredericton, \$15,000
2005	Sabbatical leave
2004	Rehabilitation of Downtown Lethbridge, City of Lethbridge, \$18,000
2003	Affordable Housing for Lethbridge, City of Lethbridge, \$15,000
2003	Making Connections in Downtown Regina, Planning Department, City of Regina, Saskatchewan \$18,000
2002	Affordable Homes for Medicine Hat, City of Medicine Hat, \$15,000
2002	Homes in the Age of Information, La Société d'habitation du Québec, \$35,000
2002	Sustainable Development Principles for Montréal's West Island (Co-PI with Tom Meredith and David Brown), The Woodcock Foundation (USA), \$79,000 US
2002	Affordable Passive Solar Housing for Regina, Planning Department, City of Regina, Saskatchewan, \$15,000
2001	Design principles for affordable community in L'Assomption, Quebec, Le Domaine du Chemin du Golf, \$10,000
2001	Develop a New Course on Energy Efficiency in Buildings, Government of Canada, Office of Energy Efficiency, \$45,000
2001	Infill Housing for Downtown Cornwall, City of Cornwall, The Heart of the City Group, \$10,000
2001	Retooling the Heart of the City, Cornwall, Ontario, The Heart of the City, Cornwall, Ontario, \$10,000
2000	Affordable Infill Student Housing Alternatives for the University of Winnipeg (with Tom Carter) The University of Winnipeg, \$27,000
2000	Converting Industrial Buildings to Affordable Housing, Universal Terminals Limited (Cornwall, Ontario), \$10,000
1999	Developing Urban Renewal Guidelines for Cornwall, Human Resources Development Canada, \$10,000
1999	Assessment and Strategies for the Rehabilitation of Le Village, Cornwall, Human Resources Development Canada, \$34,000
1999	Modularity in Prefabrication of Affordable Homes, Technology Building Systems, \$15,000
1998	Sabbatical Leave
1997	Adapting Quebec Construction Products to Latin American Markets, Société d'habitation du Québec, \$20,000
1997	Affordable Housing Prototype for Latin America, Canada Mortgage and Housing Corporation, \$20,000
1997	Comprehensive Analysis of Self-Build Experiences (with Focus Consulting, Ottawa), Canada Mortgage and Housing Corporation (Winner of invited competition submission), \$29,582
1996	Software for Housing Export, Société d'habitation du Québec, \$35,000
1995	Planning for Change of Existing Communities, Société d'habitation du Québec, \$7,500
1995	The Next Home: construction of a demonstration project, Cascades, \$97,000
1995	The Next Home: background studies and analysis, Canada Mortgage and Housing Corporation, \$33,500
1994	Strategies for Improving Housing Affordability and Access, Canada Mortgage and Housing Corporation (Winner of invited competition submission), \$63,000
1994	Developing a Methodology for the Conversion of Under-used Industrial Buildings into Affordable Housing, City of Montréal, Société d'habitation du Québec, Rosdev Development, \$20,000
1994	Planning Housing for Change, Société d'habitation du Québec, \$5,000

1993	Development of Affordable and Sustainable Housing Alternatives, I&S Construction and National Research Council (NRC)/Industrial Research Assistance Program (IRAP), \$20,000
1993	Sustainable Residential Development: Planning, Design and Construction Principles, Canada Mortgage and Housing Corporation, \$22,000 (Won the 1994 <i>Progressive Architecture</i> and American Institute of Architects (AIA)/Association of Collegiate Schools of Architecture (ACSA) Research Council Research Award)
1992	Industrialization of Narrow-Front Row Housing Using Panelized Wall Systems; Feasibility Study, Société d'habitation du Québec & Canada Mortgage and Housing Corporation, \$25,000
1992	Guidelines for the Design of High Density Affordable Homes Communities, Construction Léo Marcotte Inc., \$15,000
1991	Post-Occupancy Evaluation of Affordable Housing Projects Based on the Grow Home Concept, Canada Mortgage and Housing Corporation, \$15,000
1991	Implementation of Ideas for Affordable Communities Based on the Narrow-Front Rowhouse, Concept; Dow Canada Inc., \$70,000
1990	The Grow Home: Study of a Narrow-Front Affordable Housing Alternative, Dow Canada Inc., \$72,000, Co-director with Witold Rybczynski
1989	Basic Research and Development of Concepts for Affordable Housing, Société d'habitation du Québec and Canada Mortgage and Housing Corporation, \$195,000, Co-director with Witold Rybczynski
1989	Cost Comparison Between Modular Prefabrication and Conventional Construction Methods for Single-Family, Detached Housing in Montréal; I&S Construction and NRC/IRAP, \$8,000

Other Grants (The following grants were awarded or solicited to provide additional financial and material support for research projects or for the dissemination of their results.)

2012	Sustainable Housing Prototypes, SURE Grant, McGill Faculty of Engineering (2 students), \$6,000.
2011	Sustainable Housing Prototypes, SURE Grant, McGill Faculty of Engineering (2 students), \$6,000.
2010	Sustainable Dwellings Research, SURE Grant, McGill Faculty of Engineering (2 students), \$6,000.
2009	Narrow-Front Housing Research, SURE Grant, McGill Faculty of Engineering (2 students), \$6,000.
2007	Affordable Housing Research, Young Canada Works and Montreal Chamber of Commerce, \$6,486
2006	Affordable Housing Research, Young Canada Works and Montreal Chamber of Commerce, \$4,082
2005	Affordable Housing Research, Young Canada Works and Montreal Chamber of Commerce, \$2,000
2004	Research on Affordable Housing, Young Canada Works and Montreal Chamber of Commerce, \$5,322
2003	Publication Summarizing Demonstration Projects in the West Island, Young Canada Works and Montreal Chamber of Commerce, \$3,000
2002	Design Principles for the West Island, Young Canada Works and Montreal Chamber of Commerce, \$1,633
2002	Research on Affordable and Flexible Housing, Young Canada Works and Montréal Chamber of Commerce, \$4,435
2001	Research of adaptable housing alternatives, Young Canada Works and Montréal Chamber of Commerce, \$4,851
2001	Publication grant for Planning the New Suburbia (UBC Press), Aid to Scholarly Publications Programme, Humanities and Social Sciences Federation of Canada, \$7,500
2000	Development of architectural guidelines, Young Canada Works and Montréal Chamber of Commerce, \$5,160
1999	Planning for Change research, Young Canada Works and Montréal Chamber of Commerce, \$2,546
1998	Research of flexible housing alternatives, Young Canada Works and Montréal Chamber of Commerce, \$3,907
1997	In-kind building materials and services for manufacturing and assembly of La Casa a la Carta, Building manufacturers and suppliers in Quebec, \$22,000
1997	Open House International special issue, Young Canada Works and Montréal Chamber of Commerce, \$3,498
1996	FlexHousing National Design Competition: Phase II Submission, Canada Mortgage and Housing Corporation, \$5,000
1996	"Housing the Next Century," preparation of symposium proceedings, Canada Mortgage and Housing Corporation, \$3,500
1996	The Next Home Publication and Exhibition, Young Canada Works and Montréal Chamber of Commerce, \$3,549
1996	In-kind building materials and services for manufacturing and assembly of the Next Home, Building manufacturers and suppliers in Quebec and Ontario, approximately \$50,000
1995	"Emerging Design Opportunities: Tijuana, Mexico," preparation of conference proceedings, Canadian Consulate General in Los Angeles, \$1,500 US

Journals Board/Refereed Papers Reviewer/Session Chair

2016 -2017	Co-chair the 2017 3rd International Conference on Energy Materials and Environment Engineering (ICEMEE 2017) will be held on March 10-12, 2017 in Bangkok, Thailand.
2016 - 2017	Member, Program Committee: The 5th Annual International Conference on Architecture and Civil Engineering (ACE 2017), Singapore.
2015 - 2016	Member, Program Committee: The 4th Annual International Conference on Architecture and Civil Engineering (ACE 2016), Singapore.
2016	Chair, Program Committee: The 2nd Annual International Conference on Urban Planning and Property Development (UPPD 2016), Singapore.
2015- present	Member, Advisory Board, Vitruvio-International Journal of Architecture Technology and Sustainability; Universitat Politecnica De Valencia, Spain.
2015	Member, Scientific Committee: Looking for methods and tools for the Research in Design and Architectural Technology, University of Firenze, Italy 2015.
2015	Reviewer: Papers submitted to the International Diabetes Federation Congress 2015, Vancouver, Canada.
2015	Program Chair and reviewer: Annual International Conference on Urban Planning and Property Development (UPPD 2015), Singapore.
2014 - 2015	Reviewer: Paper submitted to the 3 rd Annual International Conference on Architecture and Civil Engineering (ACE 2015), Singapore
2013 - 2014	Reviewer: Papers submitted to the United International Architect (UIA) 2014, Durban, South Africa.
2012	Reviewer: Papers submitted to the 18 th International Conference on Open Building, Beijing, China.
2009 - present	Member: Editorial board, Urban Design International Journal, School of the Built Environment, John Moores University, U.K.
2005	Reviewer: ACSA International Conference, Mexico City.
2004 - present	Member: Board of Editors, <i>Canadian Journal of Urban Research</i> , University of Winnipeg.
2000	Member: Scientific Committee for Refereed Paper Submissions, World Congress on Environmental Design for the New Millennium, November 8-22, Seoul, South Korea
1994 - present	Member: Editorial Board, <i>Journal of Architectural and Planning Research</i> , Texas A&M University, College Station, U.S.
1994 - 1997	Member: Advisory Board, <i>Building Research & Information: The International Journal of Research, Development & Demonstration</i> , E&FN Spon, an imprint of Chapman & Hall, Bromley, U.K.
1993	Member: Scientific Committee for Refereed Papers Submission, Solar Energy Society of Canada, Annual Meeting, Québec.
1993	Member: Refereed Paper Review Committee, World Conference on Innovative Housing 1993, Vancouver, June 21-25 (CMHC and EMR). Also an invited moderator of session on "Innovative Unit and Site Design."
1991 - present	Member: Board of Editors, <i>Open House International Journal</i> , University College London, London, U.K.
